Are the comments finalized yet? Are there any more comments from Margret or Jay? Please inform.

Now, we have one more owner for the Southern area so preparing a separate LUC with legal description for that portion too.

Thanks

Hello Chand,

Our attorney, Margaret Alkon, completed her review of the draft LUCs and sent her comments on those documents to Jay Cross. Margaret and I are going to go over the legal EPA comments on Friday March 16, 2018. I am reviewing the draft covenants from my technical standpoint and will do my best to send technical comments, if any, the week of March 19, 2018.

Thank you for your courtesies.

Best,
Carmen
