Please see Jeff's email below. Can we get higher resolution version of that photo? Thanks. Josh

What about photo 2 from https://www.epa.gov/sites/production/files/2017-08/documents/3-1-17_monitor_siting_photo_log_for_web.pdf

It's small and blurry, but it looks like it shows dust blowing around.

Yeah I can't find any good pictures for a tweet. I have close ups of the filter based monitor but it doesn't show a lot of the facility.

I don't. Molly had a bunch uploaded to the website but I didn't see any great ones.

Sarah or Patrick,

Do you have a different photo that we or HQ could use for an SH Bell tweet? Thanks.

Josh, could you check with the ARD folks to see if they've got a more compelling photo?
