Lee,

I'm attaching an updated PowerPoint file with a minor change to slide 5. I replaced the existing table with a more up-to-date version from the draft CARB report to facilitate our discussion.

Thanks,

Justin

Lee,

It's a bit early, but attached are the briefing materials for our 12:30 meeting on Monday. I'm also attaching a draft report from CARB on DPF performance that's referenced in my slides, as well as a background document on the Reach Fellowship team. Please let me know if you have any questions or need any more info in the meantime.

Thanks, << File: HD Diesel Compliance.pptx >> << File: Draft Memo 2015_04_28-ADVANCE.PDF >> << File: Reach1-pager SCR Compliance (1.27.15).pdf >>
