Subject: RE: S.H Bell NOV Meeting - Proposed Date and Time

Nicole: I attempted to respond to your meeting notice but received a system error so I am now responding to the following 8/21 e-mail. Since the 17th of August I have been working at a client facility in a remote American territory. Upon arriving back this week I have been trying to resolve a scheduling conflict for September 7th or 8th. Unfortunately this morning I learned that I am not able to resolve that scheduling conflict and thus am unavailable to come to Chicago to meet on either the 7th or 8th of September. The S.H. Bell team does remain available for alternative meeting dates of September 14th or 15th. Please let us know Region 5's alternative availability in this regard, to meet and discuss the Notice of Violation. Thank you.

Hi Nicole –

In response to my last email, I got your out-of-office saying that you would be out to 9/5 and wouldn't be able to check email.

Just bringing everyone else from your team in the loop on my email below as Scott Dismukes is out as well with no access to email and may have a potential conflict on 9/7.

- Jessica

Hi Nicole –

I saw that you sent out a proposed date and time for the meeting on the S.H Bell NOV. As you may have gathered, Scott Dismukes is out of the office. He is currently working in a remote location in American Samoa with no access to cell or email due to the lack of coverage there. He will be back in the office on 8/28.

Can you suggest some additional dates EPA would be available for the meeting? Scott may have a potential conflict on 9/7, but we would not know for sure until he is back.

Thank you,

Jessica
