Subject: Mid America Canister Sampling - Follow Up Meeting to Discuss Local Air Sampling Near St. Francis Facility

Thanks for participating in the call yesterday to discuss EPA's canister sampling efforts. As we discussed, I'd like to set up a follow up call to discuss sampling protocols, etc.

I am looking to set up the call during the week of Dec 18th. The folks from EPA and ATSDR are available at the following times:

Mon, Dec 18 – 2:30 pm or later

Wed, Dec 20 – 9:30 am – 11am, 2 – 4 pm

Thur, Dec 21 – 10:30am – 1 pm

Please let me know if these times do or do not work for the folks at WDNR or SFHD.

Thanks,

Alexandra (Sasha) Letuchy
