---

Dear Manufacturer,

Enclosed are the certificate of conformity for the engine family listed above and general certification information. If there is a problem, please contact your EPA certification representative, or for small SI and Marine SI certificates, contact Mr. Mike Marko. PLEASE DO NOT RESPOND TO THIS EMAIL.

attachment 1-cerficate of conformity
attachment 2-general certification info

PS-Manufacturers should begin to upgrade to Filemaker 7 or higher. New templates will be in Filemaker 7 or higher. Also, in 2009, EPA will no longer accept versions below Filemaker 7.
