WVDEP-EPA Region 3 Quarterly Corrective Action Call

Tuesday, May 23rd at 1:00PM (EST)
Willow Room, 10th Floor – Room 401
Phone: (866) 299-3188
Passcode: (215) 814-3385

Agenda Topics:

1. Mid-Year Update (WVDEP)
   a. Progress on FY17 Commitments? Projections for remainder of FY17?

2. Follow-Up on "Action Items" from February Call (see below):
   - Union Carbide Institute (WVD005005509) – Provide draft Statement of Basis once completed (EPA/EW).

   - Chemours Belle Plant (WVD005012851) – EPA/MO reviewed vapor intrusion workplan and sent comments to Chemours. Agreed to send a copy of his comments to WV.

   - LINDE LLE (WVD980554760) – WV had questions about site boundary map. Impoundment maps looks alright, but parcel was omitted. EPA agreed to look into mapping.

   - NewChem (WVD074968413) – Implementation report received. No LUC. EPA/LP to check with Bill and loop back with WV on status of LUC.

   - Solutia Nitro Site (WVD039990965) – WV to consider taking over implementation of Remedy.

   - RCRAInfo Updates – To capture IC in recent permits (RCRAInfo Code: CA772EP).
     - Chemours Co. (WVD0045875291) – WV
     - Solutia Nitro (WVD039990965) – EPA/JH

   - Sites That Need Environmental Covenants
     - Airco. Welding Products (WVD980554760) – WV
     - NewChem (WVD074968413) – EPA

3. New RCRAInfo Code (John Hopkins)
   - CA300 – Post Remedy Assessment (who will be responsible for entering event code?)

4. Review Corrective Action Table
