FYI,

Region 5 received Wisconsin's Rule Package March 10, 2016. Copies were routed to EPA staff for review and comment. Mark Compton will be scheduling a meeting (EPA) to discuss our review/comments on this Rule Package. Target date for EPA meeting is March 30, 2016. On this date Wisconsin DNR should appear in court for a settlement hearing. Mark is also in the process of scheduling the next Wisconsin LAR meeting with EPA and WDNR on or around April 6, 2016. The agenda for that call should include:

1. Any new information regarding the LAR
2. Update on Rule package 3 & 4 (approved by Wis. NRB)
3. Results from settlement hearing
4. Region 5 feedback regarding review of Wis. Revised Rules & Statues
5. 5. ?

Any questions, contact me (312) 886-0135

Thanks!

Hi Quintin,

Hope all is well.

I was following up on when our next scheduled LAR meeting will be.

I think EPA was going to propose a date if I remember correctly.

Also, did you guys get the review package?

Thanks

Adrian

Subject: WLAR update

FYI,

I left voice mail messages regarding the WLAR meeting scheduled for next week. The Region is requesting updates for:

1. Current Rule Package Schedule(s)
2. Report out on Spreadsheet (75 issues)

This information should be forwarded ahead of the call. It provides EPA with information necessary to make the call more meaningful and productive. Please forward by 3/4/16. If you have any questions I can be reached at (312) 886-0135.

Thanks
