Rob:

Oops, I was moving too quickly and now see that Karen only sent you the MRPSA material. I will forward the rest of the coastal and wetlands section once our coordination has been completed and will delete the MPRSA section from that version.

Sorry for the confusion!

Rob:

This version that Karen sent you is not ready yet. As you can see, I wrote a draft including a section on MPRSA and Karen made a few additions in blue type. However, I am still coordinating the rest of the coastal and wetland comments with other people and will send you a final version when we have completed our review.
