Subject: SRP - Navajo Generating Station - Tribal NSR Admin Amend
Attachments: 08-26-2015_Talbot_Navajo Cover Letter.pdf; NGS PSD and Tribal NSR Permit 8-26-2015.pdf; NGS TSD Admin Amend 8-21-2015.pdf

Hi Kyle-

Attached, please find your final revised NSR permit. This action administratively amends SRP's existing PSD permit for the Navajo Generating Station (NGS) to incorporate requirements under the Tribal Minor NSR program and authorizes the construction of equipment for NGS's mercury emissions control system. This action does not change any of the existing PSD permit conditions applicable to NGS.

If you have any questions please let me know. The hardcopy should arrive shortly.
