Subject: FW: Incoming Letter to Alexis on Hunter's Point from Save the Bay - Please Control to Superfund
Attachments: Shipyard Cleanup - Save The Bay.pdf

Dear Linda and Abi: Enrique and the HP team will respond to this incoming letter from David Lewis, Save the Bay. Alexis received it via email asked Mr. Lewis to send it to Enrique for response since she is recluse from HP matters. I explained to Lily that this email/letter was not a FOIA or a HQ AX, but regular correspondence that is usually logged and assigned to a Division for action. FYI

Abi/Linda –

Lily Lee shared with me an electronic copy of a letter sent to Alexis from Save the Bay. Alexis is recused per her note back to David Lewis at Save the Bay (copied/pasted below). **If the letter in hardcopy has been received by the Front Office, can you please control the letter as AX-Correspondence to Enrique and Lily Lee in Superfund for development of a response.** I let Lily know that I normally do not handle AX-Correspondence which is normally controlled out from the Front Office. Thanks.

Dear David,
Thanks for your thoughtful notice. Due to my spouse's employment, I'm recused from any matters re Hunters Point. Our Superfund Director, Enrique Manzanilla, has been engaged with the City, the Navy and many others on all aspects of this site.
I hope all's well,
Alexis
