Jeff,

Attached are the SOPs for the SAP that you had mentioned you did not receive as I originally sent them in a zip file.

Thanks

Jeff

Attached please find the draft SAP and QAPP for the Wolverine World Wide Tannery Site for your review. Please note that an SOP is missing from the attached zip file but I won't be able to track it down until the morning. Additionally, we reached out to CRL folks to obtain the reporting limits for Worksheet #15 yesterday but we have yet to get the information needed to fill out that table. We have left that section highlighted but wanted to get this in your hands for review while that is being sorted out.

Please contact me with any questions, we look forward to your comments.

Thanks
