Thanks Jeff

We will try to attend. Some of us have a Joint Evaluation call at the same time with another state, so I'm not sure who will be able to attend.

Subject: Polymet 401 Documents

Hi Peter,

Following up on our phone conversation this morning, the Polymet 401 information can be found at https://www.pca.state.mn.us/quick-links/401-certification-northmet This web page includes an overview of the process as well as the most recent documents submitted earlier this month. We recommend all EPA staff working on the Polymet project sign up for email updates at http://polymet.mn.gov/ to keep up with all aspects of the project.

As I mentioned in our conversation, we have a conference call with Polymet tomorrow at 2:30 – 4:30 to go over some initial questions on the application. You are welcome to join us – please let me know if you are available. You should receive a meeting invite from Jen Oknich shortly. Here is the conference call information:

Call 888-742-5095

Code 650 680 6098

Thanks,
Jeff
