Subject: RE: NorthMet Project - Tribal Consultation Meeting

Michael:

We're looking forward to this scheduled consultation meeting with Region 5 staff next Tuesday. I appreciate that you have included in the invitation so many key EPA staff who have various roles in the environmental and permitting review of the NorthMet Project. In the interest of having some focus to our discussions, the tribal cooperating agency staff offer a proposed agenda (attached). We were also planning to bring a few slides and figures to share; hopefully the meeting room you have reserved can accommodate that?

Thanks, and have a great weekend!

Nancy
