Mr. Yeow,
Thanks.

Do you know when the Acting Administrator will make the announcement of the new Chartered CASAC members?
Corey

No, not yet. We are still awaiting the Acting Administrator's announcement of the new Chartered CASAC members and upcoming NAAQS review schedule.

Mr. Yeow,
Are there any documents available for me to begin to review for the Ozone Integrated Review Plan (2018)? I looked on the website and didn't find such documents.
I am ready to "get my feet wet" and start digging into the salient features of my CASAC appointment and its requirements.

Please advise and thank you again,

Subject: CASAC Ozone Integrated Review Plan

Chartered CASAC Members,

EPA has indicated that they anticipate completing the Ozone Integrated Review Plan later this month. They are requesting a CASAC review in late November.

Please let me know your availability for a 4-hour teleconference on the following dates and times:

Thursday, 11/29/18 - 10 AM - 2 PM ET

Thursday, 11/29/18 - 1 PM - 5 PM ET

Friday, 11/30/18 - 10 AM - 2 PM ET

Friday, 11/30/18 - 1 PM - 5 PM ET

I realize that this is just 2 weeks prior to the face-to-face CASAC PM meeting, but hopefully we can make this work as this review of the Ozone IRP will just be a teleconference.
