TO : McKESSON c/o JEAN MESCHER
FROM: BLID _ FOR THE ESTATE

JEAN:

THE ESTATE HAS IN IT'S FILE YOUR LETTER OF JUNE 23, 2014.

IT IS A GROSS MISREPRESENTATION OF THE 12-ACRE TRACT WHEN YOU WRITE "THE 12-ACRE UNRESTRICTED PARCEL OF THE ARKWOOD, INC SUPERFUND SITE ("SITE")" AND "REDUCED THE RESTRICTED AREA OF THE SITE TO APPROXIMATELY 18 ACRES, CARVING OUT 12-ACRES OF UNRESTRICTED LAND."

AS YOU WELL KNOW (OR SHOULD), THE JULY 11, 1988 CONSENT DECREE DESCRIBES AN 18.076 ACRE SITE. THE EPA HAS NEVER ENLARGED THIS. McKESSON HAS NO RIGHT TO STATE THE SITE CONTAINS 30 ACRES. ALSO, McKESSON, IN THE DECEMBER 31, 1987 SITE AGREEMENT, AGREED TO THE 18.076-ACRES. SEE RECITAL A. PAGE 1.

9552443

IT FOLLOWS THAT THERE WAS NO NEED TO "CARVE OUT" (AS YOU WRITE) THE 12 ACRE TRACT SINCE IT NEVER WAS A PART OF THE SITE.

THE ONLY NEED WAS TO CLEAR UP ANY ERRORS OR MISCONCEPTIONS REGARDING THE 12 ACRES. THE EPA HAS CORRECTED THIS ERROR IN MANY WAYS, ALL OF WHICH YOU ARE AWARE OF. AS A REMINDER, I AM ENCLOSING EPA LETTERS OF MAY 28, 2014 AND MAY 6, 2014 WHICH ACKNOWLEDGE AND CORRECT THE ERROR.

McKESSON'S LETTER OF 6/23/14 IS NOW PUBLIC KNOWLEDGE AND COULD CHILL OUT A BUYER OF THE 12 ACRES, CAUSING THE ESTATE TO SEEK DAMAGES FROM McKESSON.

THE ESTATE REQUESTS A RETRACTION, IN WRITING BY JULY 11, 2014.

SINCERELY,

Bud 6/25/14
