DRAFT 2018 TEPM Agenda -WD.docx
TEPM2018Posters.docx
Water Division field trip2018TEPM.docx

Attached is the draft agenda for the 2018 TEPM conference and a list of the commitments we have for Posters. Please check the list for accuracy and let me know of any changes. If I do not hear from you this is what I will send to TIAO as

the Water Poster list. Instructions will be sent from the TIAO requesting equipment needs and space allotments.

If you need to mail supplies in advance, you can mail them to this address:
Ella Mulford
Tribal and International Affairs Office
U.S. Environmental Protection Agency - Region 5
77 West Jackson Blvd., Mail Code R-19J
Chicago, IL 60604

This year the Posters will be set up on the 3rd floor GSA Conference Center, also where the Eco-Café will be held. One gets there by going up the escalator or elevator from the main lobby. It is about the size of the Lake Michigan room so there will be plenty of space. If you have special equipment or supplies you need to get through security, let Janette or I know and we can assist.

More details on the Monday Water Division Deer Grove Restoration Projects, Cook County Forest Preserve can be found in the attachment. I will be sending out a registration list for sign-up in a separate email at a later date.

Any questions give me a call.
