Location: Former Carrie Gosh Elementary School (455 E. 148th Street)

Start: 5/23/2018 3:00:00 PM
End: 5/23/2018 4:00:00 PM
Show Time As: Busy

Good Morning Everyone,

Apologies to our City of East Chicago partners, as I know I just sent a note out yesterday to discuss potential dates for this meeting. However, I wanted to get this calendar invite out and in everyone's schedule as soon as possible, as I know how hectic things are for everyone right now.

With Zone 2 residential remediation work anticipated to commence at the end of this month, we wanted to meet again to revisit our March meeting and update our City of East Chicago partners with current progress and the anticipated work plans/schedules.

A meeting agenda is being developed and will be circulated prior to the meeting.

Looking forward to meeting with you all and kicking off another safe and productive field season!

Randy,
Please forward to any of your team members that I may have inadvertently left off of this invite.

Thx
Dan
