Bruce,
Thank you also for all that you have done to generate progress on the site. None of it would be possible without you and your vision. We are definitely headed to a positive outcome. It is also nice that getting there has proven to be as fun as it has. I'll talk to you later.
Michael

Subject: Allied Landfill OU Site Visit - May 27, 2014: Additional Attendees

Good Morning, Michael -

Thanks for a good meeting yesterday. I think we're moving forward in a very positive way and are in a good position to address outstanding issues and concerns.

I have received over the last 24 hours or so, several people requesting to be involved with next Tuesday's (May 27) site visit with Congressman Upton.

There are 3 City staff that would like to attend:

City Manager James (Jim) Ritsema
Michael Wetzel
John Paquin.

To my knowledge, none of these 3 individuals have previously toured the site.

Rick Burns from NTH Consultants also requested to be in attendance. He has not toured the site before either and would like to be included.

Mayor Bobby Hopewell is also planning on attending the site tour (along with me as well.)

The last request was from the President of the Kalamazoo River Cleanup Coalition (KRCC), Dr. Denise Keele. She requested that one board member from the KRCC be able to attend. I realize that these last additions, the last one in particular, may be problematic. If you could please let me know if any, some or all of these may be able to go on the site visit, I would appreciate it.

If I had to assign a priority, I would suggest the following list:

Mayor Hopewell
Jim Ritsema, City Manager
Mike Wetzel
John Paquin
Rick Burns
Bruce Merchant
KRCC Board Member/Denise Keele

I've copied Lynn Turner from Congressman Upton's Office so she is aware of the City's request as well.

Thanks for any and all consideration.

Bruce
