I am planning on the 17th. Does this lock in the date?

Brian,

I am pretty sure we are a go for 4/17, I just want to confirm that with Michael.

Hello Gentlemen
Just following up to see if there is a consensus on a date to record the Allied Roundtable at PMN, April 17th or April 20th, at 10 am.
Thanks

Folks:

We are currently working on which taping date - Friday, April 17th or Monday, April 20th – works best for all parties.

Thanks

Gentlemen,
I am following up on Karen Woodworth's earlier emails to confirm that all three of you (Jeff from the City of Kalamazoo, Paul from DEQ and from the EPA, Michael Berkoff) will be at our studios in Portage on Friday, April 17 at 10am for an on camera roundtable discussion on the upcoming public meetings and the latest proposal from the EPA re: the Allied Landfill site. We will record a 30 minute show that will air on our Govt Channel, (Charter Channel 190 and AT&T Channel 99) and also use a shorter version for our Monthly government magazine show, *Connect.*

Connect is a monthly show that airs seven days a week at 7:30 a.m., 6:30 p.m., and 12:30 a.m. on the Public Media Network Government Channel (Charter Channel 190 and AT&T Channel 99). Our current shows are always available on our website, www.publicmedianet.org, and our current and past stories are archived on our website so that they will continue to be available. You'll be welcome to embed the video of both the *Connect* interview excerpt and the 30-minute roundtable interview in your websites if you'd like.

Our Portage studios are located at 8107 Mustang Drive, Portage, Michigan. From US-131, take the Centre Street exit and head east. Mustang Drive is the first light after the intersection of Centre and S. Westnedge. Mustang Drive is also the entrance to Portage Central High School. Our studio is located in the south end of the building that also houses the Portage Public Schools Administration offices. Please look for our white and blue Public Media Network sign. We have reserved parking right in front of our door.

Thank you in advance for your cooperation in getting this important information out to our viewing audience.

Sincerely
Brian Gonda
