35	Description of Actions to Achieve Compliance	The Vsl will be arriving from the port of Tuxpan, Mexico where no bunkers are available. Her orders are to load out of Brownsville Texas on 13-15th May. No bunkers are available there either. There is a possibility that after Brownsville she will also load out of a Houston port where availability is advised as being ok. We are presently waiting to receive firm orders from her charterers and if Houston is confirmed as 2nd POC then we will supply her with compliant fuel there. Vessels flag will also be notified of	N/A

I certify under penalty of law that the statements and information made herein are, to the best of my knowledge and belief, true and complete. I am aware that there are significant penalties for knowingly submitting false statements and information, including the possibility of fines and imprisonment pursuant to 18 U.S.C. § 1001
