Attachments: Briefing for B. Wehrum on ALPHA 12_1_2017.pptx; OMEGA Results_Examples.docx

Ben and Julia,

Just to clarify, can you hand carry color copies of the material Mike Olechiw just sent for the Wehrum 4pm, along with this additional attachment on OMEGA outputs, which Chris forwarded to Wehrum last night.

And we will also continue reviewing the MTE Modeling briefing from earlier this week, which I can send up again if needed.

Thanks
Robin

Bill-

Deliberative Process / Ex. 5

See you tomorrow. I'm off to the airport shortly
