Good evening. Is everyone OK if we go ahead and finalize the draft door hanger which I sent to you last Friday (see attachment). I would like to get these printed and distributed early next week if at all possible (preferably on Monday at the latest).

Thanks and please contact us with questions or concerns.

Carolyn

Good morning. In anticipation that we will be conducting the supplemental soil and groundwater sampling activities the weeks of February 25 and March 4, 2019, we have developed the attached Draft Community Announcement (Door Hanger). Please let us know if you have any comments or not. We would like to distribute the door hangers the week of February 18, 2019.

Sincerely,
