Carmen,

We are reviewing your comments on the draft cleanup plan approach. We can discuss them today if you're able to participate in the 2 pm call. If not, we will respond in writing early next week and discuss them in our next call.

Thanks,
Dave

Hello David and Russ,

I missed the last call due to a conflict in my schedule. Please let me know if you have questions about the comments that I had sent to you on the draft cleanup approach.

This week, I am in Washington DC at the EPA HQ office attending the national PCB meeting.

Best,
