Subject: MKC TSCA Call

Hello Katherine,

I'm reaching out to you as I've seen your name on recent documentation related to PCB work at the MKC site. I am the Regional PCB Coordinator for USEPA Region 5 and would like to ask if we could arrange a conference call on Monday with yourself and the appropriate contacts at MKC. We wish to introduce ourselves as a new PCB remedial project team at Region 5 and discuss a letter MKC will be receiving shortly that was sent in follow up to the November 2017 settlement with Wisconsin.

Please advise if you and representatives of MKC would be available on 12/18 for a call.

Thank you,

Peter Ramanauskas
