I suggest that Mike Harris send up the paper to Ed Chu as planned with a cover note providing the briefing paper he requested and ask whether he wants an in-person briefing as well. If so, we can set up the in-person briefing accordingly.

Hi, Ignacio
Point of clarification. Would you like LCD to set up the briefing date and time or is ORC doing that?
Thanks,
Joe

Thanks - can you revise it based on Peter's update and we'll have LCD confirm the factual accuracy (not sure if Mike Beedle was also on the call) - I think as a practical matter you can reorder the bullets and have next steps be MKC's submittal and our review and decision. I'm not going to hold you to the factual accuracy of your understanding - I just want to keep this moving in Peter's absence.

I did not participate in the call. It was a technical representative only call (no lawyers). I will forward Peter's update, but I am a little uncomfortable editing the briefing document per technical discussions I did not participate in. Please advise. Thx _____

It looks like Peter is out on travel today – John, can you take a first stab at it?

Hi Peter and John – can you please update the briefing paper to reflect the progress made with the technical call last week and MKC's agreement to submit a TSCA coordinated approval request letter?

Thanks!

Hi Ignacio,
I didn't get a chance to send this up last week. Can we update it to reflect the meeting with M&K last week?

Hi - did this briefing paper go up to Ed Chu? He's asked for a briefing. On my end John Steketee, Rett Nelson and myself should attend. For LCD, I thought Peter Ramanauskas, Ken Z., Joe, Mardi and Mike Harris should attend.
