Subject: Polymet Document Request Response
Attachments: Chairman DuPuis Correspondence.pdf; Chairman DuPuis Letter Enclosure.pdf

Dear Chairman DuPuis,

I'm sorry we didn't have an opportunity to connect via phone today. I was hoping to notify you in advance of this correspondence and my decision to release the document you previously requested. I look forward to future conversations and the opportunity to work together. I hope to see you or your representatives at next week's RTOC meeting in Wisconsin.

Sincerely,

Cathy
