Andy,

Yesterday, I attended one of the monthly update meetings with Mountaire and DNREC technical folks. At these meetings, Mountaire has its own punch list of interim corrective measures, and they provide an update on their progress on those items. Significantly, Mountaire expects to have its storage lagoon ready to accept sludge by March 26. DNREC's permit for the lagoon is pending, but we expect to issue a decision before March 26. Mountaire also expects to submit its construction permit application for the facility upgrade by May 1.

Attorney Client / Ex. 5

I will be in my office today until 12:30pm if you want to talk. 302-257-3218.

Thanks,
Devera
