Re: Follow up to telephone conversation of 12/15/2011

Hello Mr. Taylor;

Thank you for your cooperation. I got everything fine except the zip file attached to the below e-mail. Our email system will

not allow us to
receive files with zip extensions. If you could
please rename the file
with a non-executable file extension I should get it
and be able to save
and rename the file and it will work fine.

Thank you.

Subject Follow up to telephone conversation of 12/15/2011

Hello Mr. Taylor;

I would like to thank you for taking the time to speak with Mr. Pesina and myself on December 15th, 2011. As a result of our conversation and the information you provided us, I would like to request the following documents.

1. A copy of the final investigation report for the incident on 9/30/2011.

2. Any root cause information you may have on the incident that occurred on 12/10/11.
3. Was a shelter in place issued during the 12/10/2011 incident, if so how long?
4. Please provide the Process Hazard Analysis for the Coker Unit.
5. Please provide the Process Safety Information for the Coker Unit.
6. Please provide corrosion inspections for the Coker Unit for the past 2 years.

Feel free to contact me or Mr. Pesina if you have any questions regarding this request. Thank you for your time and effort regarding this request.

This Email message contained an attachment named CokerCorrosionInformation.zip which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
