I wanted to share this information with you. Our Regional Administrator was invited to participate in a brownfields event in Burlingtion tomorrow with the Governor. He is not able to participate in the Governor's Brownfield event. EPA will, however, be represented by Carol Tucker, the region's brownfields program director.

Attached below is information that I just received regarding the event. It will be at 2 pm in Burlington on Tuesday, June 18th. Carol will join the Governor and Mayor at the event. See below. Thanks.
