Subject: RE: CFAC - Congressional Inquiry

Hi Victor,

We have been working on a draft notice letter, RI/FS AOC and work plan for the past several weeks and expect to have it ready to go out soon. Right now, I don't know that we're in a position to commit to anything more than that. Next Monday the 11th we are briefing Suzanne Bohan on this site and will discuss our enforcement strategy with her then. Can your response to the Senator's office wait until after our briefing? If so, that might allow us to give you a better idea of our timing.

Please let me know your thoughts.
