Either she utilizes the Comm strat messages or she pulls herself from the agenda and refers them to Joe V.

> Joan: This week is the Flathead Basin Commission meeting. We have had CFAC on the agenda for the last 2 years and I am typically asked to provide a short update as to status of the process. I asked Mike Cirian and Joe Vranka for an update to pass along. Mike let me know that there was a public meeting

last week. Given the outcome of the public meeting and Senator Tester's response, what guidance can you give me about the update at FBC?
