Here are some suggestions for consideration. Looks messier than it is! I took a stab at the quote, still needs some work.

Let me know what you think... Rich x 6654

Subject: Draft NPL Proposal Press Release

Hey Cynthia and Rich –

I've attached a draft press release for the Columbia Falls Aluminum Proposal. Feel free to review and edit as you see fit. I'm returning Wednesday 3/11 and can pick it back up then. As I said the other day, I'd like to get this to the State towards the middle/end of next week so they can review it in the event they want to have a similar release at the appropriate time.

Thanks,
Rob
