I will plan to send you the slide deck before I leave in the morning via email. That way if the technology doesn't work we are still covered.

Personal Matters / Ex. 6 but do have time blocked out on my calendar to call. I didn't know if you still were interest in any type of WebEx option. If not, just pass along a conference line and material you plan to reference. Thanks!

Hi Paul,
Any chance you will be able to make the meeting tomorrow?
I think Steve Walls is planning to drive down.
Thanks,
Marisa
