Tetra Tech will send out full notes. I only noted wetland issues and other issues from resource agencies we commonly work with (USFWs, NMFS, USACE).

Subject: UPDATE: Texas Gulf Terminals Deepwater Port - Interagency Conference Call - Call In Info and Final Agenda
When: Monday, December 17, 2018 1:00 PM-4:00 PM (UTC-05:00) Eastern Time (US & Canada).

Folks

As follow-up to my email last Thursday, attached is the Agenda and Call-in info for the interagency call 1300 EST/1200CST regarding the TGTI deepwater port application. We're allowing 3 hrs but hopefully should be done before that.

Attachment 1: Final Agenda

Attachment 2: Applicable Permits and Approvals 12/06/2018 (same as on original email)

Attachment 3: Deepwater Port MOU

Conference Line/Code / Ex. 6

PLEASE READ THE FOLLOWING - I don't want to call them ground rules, but due managing this potential number of people on a phone - here are some GROUND RULES. But we do really want to keep it open and free flowing as much as possible.

1. Due to potential number of participants please SELECT A REPRESENTATIVE for your agency to IDENTIFY THEMSELVES AND AGENCY DURING INTRODUCTIONS and to SPEAK FOR THE AGENCY DURING DISCUSSIONS. For lack of anything else will be following the order listed on the Applicable Permits and Approvals list attached.

2. As mentioned, Tetra Tech, our 3rd party contract Environmental Consultant assisting with the EIS, will be on the call as well to take minutes, gain info, and answer questions. Please do not discuss any other potential projects.

3. If there are very "down-in-the weeds" and narrowly focused issues that warrant further detailed discussion, please let us know and an additional call can be arranged with those that need to be involved rather than tying up this large group.

4. Minutes of the call will be provided to this distribution.

5. Please pass this info on to others in your organization who may need it.

Just in case this official "Meeting" email format doesn't reach you I'll follow with a normal email including same info and attachments.

Thanks ahead of time for your participation and please contact me with any questions. I will be off Friday (try my cell if need) but available early Monday morning.

Talk to you Monday

Roddy
