Julie / Joe:

Attached is the weekly activities report on last night's public meeting on the Columbia Falls Aluminum Smelter site reassessment. The public was very supportive of proceeding with the investigation and cleanup of the site. Jenny Chambers attended this meeting and is very interested in MDEQ addressing this site using the State Superfund program. The community is interested in learning about the pros/cons of each of the programs. How should we proceed with discussing next steps at this site with MDEQ? I anticipate a follow up meeting with the City Council and/or county commissioners in early May. Also, how should the Flathead Basin Commission be involved with this issu
