Okay, thanks for the heads up. I'm in the office this morning and can confirm that we've received the signed CAFO. I'll let you know when it's been finalized.

Matt-

Unfortunately, this was sent out earlier this week. The payment should have already cleared and you should be receiving notice letters today, I believe.

Hi Terry,
I've been out of the office since about 4 pm on Friday. If possible, please hold off on processing the payment until we've sent word that the CAFO has been signed by our enforcement division director and filed with the regional hearing clerk. Our management has been taking a close look at our settlement procedures, and we're trying to keep the process step-by-step.
If it's already done, no problem, I'll just need to give a heads up.
Matt

Terry,
We put the attached document in the mail a few days ago, just wanted to make sure that we could expect the signed document by the end of next week.
