Kendra,

Attached are my projections for travel for the remainder of FY2016 for Unit B.

Some of the projects (Nelson Tunnel and Standard Mine) are actually Unit A sites.

Mike Cirian's travel belongs to the Montana office.

I've tried to estimate high, you'll notice I've put a couple trips in for one of our new RPMs and for me as well.

Also, for Christina Progess, travel to Libby, Mt for OU3 is always charged to special accounts and there are a couple other sites in there that may have spending authority for special account travel.
