Subject: FW: Tribal Consultation Semi-Annual Reporting Call Memo Attached

Good afternoon,

The Office of International and Tribal Affairs has sent out their semi-annual request for tribal consultation information. Tribal Affairs proposes the following:

- For projected tribal consultation in the next six months, a tribal consultation regarding the CAA permit application for the Monarch facility located on the Pueblo of Nambe. The Pueblo of Tesuque has expressed major interest in the facility, and we expect the Pueblo of Pojoaque to also request tribal consultation on the permit application. We can adjust the schedule if the application is not ready in the next six months.
- For tribal consultation success story, the tribal consultation regarding the Oklahoma NESHAPS issue would be written up. Region 6, tribal partners and the State of Oklahoma found a resolution to the issue. Our office would share the story with 6MM and ORC before sending in.

Please contact Arturo and/or me if you have questions. Thanks for all of your work on these issues.
