Subject: RE: Meeting with Nambe Pueblo Governor Perez and Nambe Pueblo Development Corporation

Carlos Vigil, president of Nambe Pueblo Development Corporation (NPDC), agreed to the meeting on the afternoon of Tuesday, July 16. Mr. Vigil requested I call David Cardenas at Monarch for his attendance. I left a message for Mr. Cardenas.

I am thinking the NPDC PWS would be after lunch, and Monarch at 3. Steve Rydeen, Nambe environmental director, will be there and ask Governor Perez to join. I asked Steve if we could also discuss the Nambe community PWS. He said he would try to arrange time with Governor and himself.

OCTEA will be at Buffalo Thunder in the morning for the Tribal Caucus meeting, so we could meet there before going over to the NPDC.

Carlos Vigil also said he would attend the RTOC meeting.

Since the July 17 RTOC meeting will be at Buffalo Thunder, just up the road from Nambe Pueblo Development Corporation (NPDC), I thought it would be a good opportunity to have an in-person update on Monarch and the Pueblo public water systems (both community and NPDC) on the afternoon of July 16. Governor Perez and his staff would be invited to the meeting. I've mentioned this separately to a couple of you, but just wanted to check with everyone before calling out to NPDC and the Nambe government.

Jeff requested a late afternoon meeting, maybe at 3pm on July 16.
