Subject: Monarch permit issuance- tribal notification

Randy: Is it possible for you to schedule a call during the week of May 5th , preferably May 6, 7 or 8 with Governor Perez and Steve Rydeen regarding the potential issuance of the Monarch permit on May 15th.

We have not yet finalized the permit, but will probably have it public noticed on the 15th. Also we should include the other tribes that provided comments, or showed interest in the permit such as Pojoaque, Tesuque, with Nambe on a separate call. The Governor may want to include other tribes as well. Thank you.

As required by the regulation, the final permit will be e-noticed and all records will be on the docket for Monarch. Please give me a call if you would like to discuss timing or the final permit.
