Thanks Cindy-by the way, I am going to place my travel this afternoon for September 16-18.

Our lead staff (OCSPP and Region 6) are holding a tribal lead awareness meeting on September 17-18 at the Pueblo of Isleta, so if the consultation visit doesn't work out I will attend both days. Right now I plan to stay after the consultation meeting for the second day of the lead meeting. I am going to stay in north Albuquerque/Bernalillo for both days and drive up to Nambe on the 17th.

Hello Cindy and Bonnie,

Does it look like the completeness letter will be mailed out this week to Nambe Pueblo? My plan was to call Governor Perez (I've already emailed him on the September 17 date) to check his attendance after the completeness letter was sent so he would know what the consultation would focus on.

I am out after Wednesday noon till next Tuesday. I can call him when I return.

Thank you,

Randy

Hi Randy,

I left you a voicemail, but just sharing info with Tina and Josh, too. Looking at possibly getting a complete application this week for Monarch. Based upon Bonnie's schedule, it looks like we could propose to ya'll the week of September 9th Or Sept 16th for doing consultations. Not sure if this would work if any of the tribe's have special days that may prohibit a meeting, but you will let us know the details involved, yes?

Our division needs us to *submit TAs by the end of this week* for travel prior to Sept 30th ... is it possible to get a fix on potential days for the consultations (I'm assuming 2 days minimum??? and/or 2 visits???). Do you all stay in Santa Fe or near the Tribal office for such visits? Just let me know as soon as possible (since we may have to submit TAs).

Tina – would you also travel with us for the consultations in Sept or just for the community meeting (possibly in Nov on this schedule)? Jeff mentioned ORC needs to attend, but Josh thought that would be you...please just let me know for coordination purposes.

Thanks,
