Subject: EPA call with Senator Tester's office 9/26 @ 10:30 am

Hello Erik,

Nice talking with you on the phone today. As we discussed, we'll change the date of our next monthly briefing. Instead of meeting Monday October 9, which is a holiday (Columbus Day), we'll meet:

Next week Tuesday September 26 @ 10:30

- Call in number
- Participant Pa

Conference Line/Code / Ex. 6

Draft Agenda:

- Silver Bow Creek Butte Area Superfund Site: Letter from Mr. Mooney; Berkeley Pit fall migratory bird pilot phase; Horseshoe Bend Water Treatment Plant adequacy review.
- Anaconda Smelter Superfund Site: Follow up to 9/20 ACDL County Superfund Taskforce Meeting.
- Smurfit Stone Mill Site: 10/5 site tour and CAG meeting; berm study; 10/10 teleconference.
- CFAC Site: 10/5 Community Liaison Panel meeting.
- 5YRs: MT Pole and Treatment Plant ongoing outreach, report for Upper 10 Mile Site, launch of 5YR for Flat Creek IMM and Basin Mining Area.

As always, we can take time to talk about other issues you may like to discuss as well. I will follow up this email with a calendar invite and cancel the 10/9 meeting.

Following our meeting next week, we'll return to our regular monthly schedule and plan to meet next Monday, November 13 @ 11 a.m. As always, feel free to contact us in the meantime if anything comes up.

Thanks, Erik!
