Subject: RAF Transition documents for next weeks meeting
Attachments: MasterContractList.docx; RAF_ Acquisition 10-04-2018.xlsx

Good Afternoon,

Here you go. One is a list of all the work that are on RAC type contracts. The second one is a list of all work transitioning and new work I have identified. This list probably is not 100% accurate especially for the new work. If you have any questions, please let me know.

Also, Fran if possible could you have the gentleman in OCPI blow these up for us, if he has time? Thanks. Otherwise I will just bring copies to the meeting.
