Dear Registrant,

The application to register your company's pesticide products for distribution and sale in Louisiana for 2021 has been received and reviewed. The Louisiana Department of Agriculture and Forestry has assigned 671 as your LDAF ID No. This number should be referenced in all correspondence from your company to this Department.

Registration Status Legend - These terms define your product(s) status categories:

Active *(ACT)* – A product registration that is currently approved to be offered for sale/distribution as either an initial registration or renewal registration.
Discontinued, First Year *(DIS 1)* – A product declared by the registrant as "no longer being produced or shipped" and is registered for the current registration year – DIS 1st Yr of the two-year discontinuance period to allow for this pesticide product to move through the *"Channels of Trade"*.
Discontinued, Second Year *(DIS 2)* – A product declared by the registrant as "no longer being produced or shipped" and is registered for the current registration year – DIS 2nd YR of the two-year discontinuance period which should allow for this pesticide product to move through the *"Channels of Trade"*.
Retired *(RET)* – The product registration has been declared by the registrant as having completed the two-year discontinuance period with this Department, which should allow for this pesticide product to have moved through the *"Channels of Trade,"* and therefore, registration is no longer required.
Discontinued By Letter *(LTR DIS)* – During the renewal process, the registrant has submitted a letter stating in writing the specified pesticide product is "no longer produced or shipped" and is no longer in Louisiana's *"Channels of Trade"*. Therefore, this Department requires no further registration of this pesticide product.
Not Registered *(NR)* – A product that is unregistered and has not yet been declared by the registrant to a registration type.

Registration Status Report – The status of your pesticide product(s) is reported in the following manner:

Registered Products
Discontinued / Retired Products
Unregistered Products

Please Note: Products with discrepancies are not registered until the discrepancy is corrected.

One or more status reports are enclosed with this letter. **Please review the attached status reports for accuracy.** If you find any errors, please notify my office immediately. If you have any questions, or if our office can be of further assistance, please feel free to contact me.
