Ed,

There is a case to be made for a short, to-the-point response right away, if you want to make it to Dennis, you should.

I just picked up Marianne's msg that Dennis wants to hold this to accompany release of the next round of data results. (b)(5) (b)(5) so maybe at this point we should just hold off any more work on this (since the message will probably change further) until we have a broader strategy discussion with our Yakima ET group. Thanks.
