Mr. Pittman

We are in receipt of your Stop Sale order dated Nov 22, 2021 for our BioErase Antimicrobial Surface Wipes.

After reviewing the claims of the stop sale order, we realize this product label hasn't been used since approximately March 1, 2021 those sales were made in the state of Texas.

Attached please find our 2021 and 2022 registration for the BioErase product as well as the label we are currently using.

Our records no longer reflect any inventory of the label that you refer to in this order.

Thanks,
Josh Savant
