A few additional edits. One distinction, very important to the team, is that the sampling was not done in response to comments, we had discussed doing it all the time, we just had equipment issues. So the text just refers to sampling completed.

This incorporates edits from Tom, Ed, Dennis and me. 95 percent of the edits you all offered are in...the big question: Now what? Get it ready for signature and get it out the door? Send it to HQ?

In the meantime, I'll ask Kendra and Matt to help find addresses for all the cc's.
