Thanks, Tim. The documents we think warrant inclusion in the administrative record are the petitions to EPA from Maine and the Coalition for reconsideration, the Penobscot Nation's response to those petitions submitted to EPA, the Penobscot Nation's addendum to that response submitted to EPA, and the letter dated April 27, 2018 from Daniel Jorjani to Matthew Leopold. All are attached. Thanks for your timely response just before the long weekend. We appreciate your consideration.

Hi Kaighn and David.

Your message reached me shortly after I had left the office to teach and start a trip and I won't be back in the office until 9/5. I forwarded your message to colleagues inOGC in hopes they can get you a response from the Agency.

I've just gotten out of class and I'm working on my iPhone so I have some technical limitations. I'm not able to open the content of your attachments but I can see that their titles suggest they or many are pleadings in the case. First, I'm

hoping that the contents have come through for my colleagues when they try to open them on a real computer. Second, if some or all of them are pleadings in the case, do we need to add them to the record for the court to take notice of them?

Thanks and enjoy your weekend.

Tim
