57.	EPA-HQ-2018-007923	Jeralyn Moran		05/22/2018	HQ	I understand that you, the EPA, are barring the Associated Press, CNN and the environmental-focused news organization E&E from a national summit on harmful water contaminants. This is WRONG! I hear they were not invited and there was no space for them, but gave no indication of why they specifically were barred. PLEASE COMMUNICATE TO ME WHY THIS DECISION IS IN PLACE. The health of our Environment depends on inclusive, long-view decisions - this includes transparency for all Americans who care about the future. I am ashamed of our Country at this terrible time under the Trump Administration, and will do all I can to stop this damage.
